To whom it may concern:

I have known Rueben and Christine Peters of RC Movers in Okotoks for the past seven years. Over that time I have come to trust them with my personal home and office moves plus the referral of all of my real estate customers' moves. They have helped literally dozens of my clients relocate in the past and I have always received very positive reviews.

RC Movers are extremely reliable, conscientious to insure your personal belongings and homes do not sustain any damage. They are very professional and personable to deal with.

Please contact the undersigned if you have any questions.
